

TEAM SPONSOR APPLICATION 2022-2023

Blazers Girls Fastpitch Softball is a non-profit, volunteer organization that offers fast-pitch softball to the girls of our community in a quality program of supervised athletics. Through the support provided by team sponsors, we are able to acquire the necessary equipment, supplies, training and uniforms to keep these players on the field. For more information about the Blazers, or becoming a valued sponsor, please contact Chris Hervieux, President of the Blazers Fastpitch Organization at 708-670-6727.

*There are two types of sponsorship: Team or Player. If you choose Team, 75% goes to the organization and 25% to the player. If you choose Player, 100% goes to said player.
